RE: Receipt of Record of Decision for:
THUR-04-04 (Keeneland Park Project), Todd Hansen

Dear Mike Rhubright:

In accordance with RCW 90.80.080 and WAC 173-153-150, our office received the record of decision referenced above on May 12, 2008. The department will review the record of decision and affirm, reverse, modify, or remand the action of the board by Thursday, June 26, 2008.

However, the director may invoke, or the board or applicant may request, a 30-day extension beyond the date listed above as allowed under RCW 90.80.080(4). The department will notify all necessary parties should an extension be required.

If Ecology does not act by the date listed above, the water conservancy board must notify Ecology, the applicant, and any parties that have expressed interest about the application of Ecology's failure to act [WAC 173-153-150(11)]. With concurrence from Ecology, the board's decision becomes final.

Sincerely,

Jeff Marti
Water Resources Program
