RE: Receipt of Records of Decision for THUR-07-08 and THUR-07-09 (5155-A and 5721-A)

Dear Thurston County Conservancy Board:

In accordance with RCW 90.80.080 and WAC 173-153-150, our office received the records of decision referenced above on January 29, 2008. The department will review the records of decision and affirm, reverse, modify, or remand the action of the board by March 14, 2008.

However, the director may invoke, or the board or applicant may request, a 30-day extension beyond the date listed above as allowed under RCW 90.80.080(4). The department will notify all necessary parties should an extension be required.

If Ecology does not act by the date listed above, the water conservancy board must notify Ecology, the applicant, and any parties that have expressed interest about the application of Ecology's failure to act [WAC 173-153-150(11)]. With agreement from Ecology, the board's decision becomes final.

Sincerely,

Deb Hunemuller
Water Resources Program
